Dear customer,

With many years of experience in the food industry, we have grown to be a Glatt Kosher certified food business. Our vision is to bring to people's plates the distinctive tastes and look, of the best aspects of Sephardic Jewish cuisine.

**All our products are 100% natural. The food is free from preservatives, additives, artificial flavors & colors and freezer improvements.**

The meat and chicken is **Glatt Kosher (LUBAVITCHER SHECHITA)**

Dairy raw materials such as milk and yoghurt are **Chalay Israel**

Packaging materials such as trays and films are imported from Israel and meet all European standards. They are suitable for conventional **airwave** ovens as well as microwave and can endure a temperature range from -40C up to +200C with no harmful material migration to food. **All trays containing ready meals are double sealed with fire resistant films and can be re-heated in airwave non-Kosher ovens or microwave and remain Kosher.** To re heat the food simply place the pack, (without removing the air sealing film) in an airwave oven, pre heated at 180 C. Re-heating time varies according to the type of food and is written on the package. **Delivery cost and VAT taxes are not included in the catalogue prices.**

For more information do not hesitate to contact us. Our team is always ready to joyfully provide its services to you. Their ears are open to all comments and suggestions for improvement.

Thank you for choosing Kosher Ladino catering.
